

**What
is
LIFE?**

WHAT'S LIFE?

"A giggle" says a teenager.

"A grind!" Says a man at the work bench.

"A booze-up" says a man in the pub.

"A rat-race" says a business executive.

"A scrounge" says a tramp.

"A struggle" says a widow surrounded by children.

"A moan" says a man on the dole.

"A groan" says a sick man

"A MIST"(1) says God.

For no matter how long you may live, in God's eyes your life is so short that it is just like a **mist**. Some **mists** last longer than others, but all are transient. Because of the brevity and uncertainty of life it is important that we do not fritter it away.

Life is a time of opportunity. Once you leave this life, opportunity will be gone for ever. As the Bible says, "It is appointed unto men once to die, but after this the judgment."**(2)**

It is essential that you grasp the opportunity which life alone gives of getting into right relationship with God. This can come in only one way

through His Son **Jesus Christ** who said, "I am THE WAY, the truth and the life; no man comes to the Father, but by Me."**(3)**

If you have never received **Jesus Christ**, you have never yet experienced "**Life**" with a capital "**L**". There is a wonderfully thrilling experience awaiting you once you do, for He alone can lead you from doubt and fear into glorious certainty; from constant defeat through indwelling sin to victorious living.

This then for you is the moment of decision. **What is life going to be from now on?** A caricature of what life is meant to be, or a life of power and prospect through Jesus Christ. You alone can decide.

Here is a prayer by which you could receive this new life just now:

"O God, I admit I have sinned. I am willing to turn from my sin. I take Jesus Christ to be my personal Saviour and Lord. Amen."
