

SPECIAL OFFER

This is the day of the Special Offer!

**We are fast becoming a nation of
"special offer" hunters.**

**Who doesn't enjoy buying things at
cheaper prices?**

**We all like to believe we are
getting a bargain.**

Many people can hardly believe it when they hear that God has been making a **"Special Offer"** for centuries. That His offer is open to everyone, everywhere. They want to know where the catch is.

The fact is, he's making his **"Special Offer"** to you – right now. Many people know that Jesus Christ died on the cross "for the sins of the whole world."**(1)** But forget that the world is made up of countries, cities, towns, villages, and families. And individuals - like you and me.

The Bible, the Word of the Living God, says that "sin separates from God." (2)

This is quite reasonable. God's perfect and holy character stands in complete contrast to the thoughts and motives of our own hearts. The Bible is right when it declares, "All have sinned."(3)

But God's "Special Offer" is this, "While we were yet sinners, Christ died for us."(4)

We don't have to wait until we are perfect before we can receive His "Offer". We may receive complete forgiveness for sins now and accept His free gift of everlasting life.

How? By turning away from sin in our lives and accepting **Jesus Christ as our personal sin bearer. Jesus said, "No man comes to the Father but by me."(5)**

Will you accept the fact; **He died for your sins, "according to the Scriptures"? (6)**

Salvation is your free pass and pardon . The full price of this blessing has already been met by **Jesus Christ. It is God's "Special Offer" to you today.**

Keith Nolan
