

There is only one eternal God. He is not far away. If He seems far away someone has said "Guess who moved?" The message of this leaflet brings you one more opportunity of knowing God. The Universe declares the power of God and so do all the marvels of nature - all of which are His work. He designed and made them. While these show His greatness they do not tell us all there is to know about Him.

There is only one Book in which we can truly learn about--God - the Bible. It stands supreme because it is- the word of God. Only in the Bible can we learn about God's attitude to man and how we can have peace with God.

One God! One life! One Book! One opportunity! Think about these. Don't trifle with them for only during life do you have a chance to find God and find peace. Do not trifle with the one Book, which God has written for you through his servants to give you light and guidance. Some may reason themselves away from God and the Bible, but those also have only one life providing opportunity of knowing their Maker. No-one can run away from God and find peace. If you forget God, then when your life is gone so also is your opportunity of receiving God's salvation. This comes as a gift from God, which He offers freely to all who accept Jesus Christ as Saviour.

God loves you and He wants to save you. To do this God had to pay the price of your sin and of your salvation. Now, life and peace are offered to you because God the Father sent His sinless Son, Jesus Christ, to die on the cross and bear the judgement of God for your sin. He rose again from the dead for your salvation.

Jesus said, "For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life. I

Whoever hears my word and believes Him who sent me has eternal life and will not be condemned; He has crossed over from death to life."²

We have only one life in which we can be saved. There is only one Book which shows the true way of Salvation. We have only one Saviour, Jesus Christ. He lives for evermore.

Don't trifle with God and with His love for you. Repent and accept by faith Jesus Christ as your Saviour and Lord. Thank Him for dying for you. Then know the peace and joy of following Him as one of His disciples.

Jesus also said, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."³
