

“Can't get no satisfaction?”

Possibly the Rolling Stones best known single, has Sir Mick Jagger singing these words;-

“I can't get no satisfaction... And I try... and I try... I can't get no satisfaction...”

Are you like him, bored, fed up, with nothing that gives real satisfaction, real peace, are you always feeling that there is something more?

THERE IS..... His name is JESUS!

Don't dismiss this with a reflex reaction.... You may have been to church as a kid, or seen other people go to church, and not see them as any better than you. Going to church does not make you a Christian, anymore than sitting in the stands at a football match makes you a football player

I don't want to tell you about a religion, or a church, but about one man, called Jesus, and about what he wants to give you, for free!

Well, beside a life of satisfaction, there is the promise of eternal life (1) as well.

You see, Jesus was sent by God to prove how much He loves us, (1) God sent Him to die nailed to a cross on a hill

Outside Jerusalem about 2000 years ago, yet He was an innocent man, it was a “fit up”.

The Bible tells us that we are all sinners (2) that is, separated from God because we don't accept His love for us, and that what we do outside His love (sin) will result in our death (3).

However, if we accept God's love for us, and His forgiveness of what we have done in our past, we can put our trust in His son, Jesus Christ as our Saviour.

You don't need to have reached rock bottom. A prisoner wrote recently:-

“I tried to find peace through drink and drugs, but it wasn't there. I tried a life of crime, but ended up here, I even tried a tin of lighter fluid, but that scared me even more.

I then looked at a book called the Bible..... That's where His life is told, and that's where I found him. He set me free”

Jesus can set you free, and give you satisfaction and peace in this life, and the next
