PROBLEMS & SOLUTIONS

Do you have any problems in your life?

Who doesn't? We all have problems to deal with, and each day seems to add a new one to the pile. Can you relate to any of these?

- Problems with my marriage or relationship?
- Problems with my children?
- Problems with my finances?
- Problems with feelings of guilt?

Some or all of these can fill our minds until we can't think of anything else.

What solutions do we have to make things better and happier for ourselves?

Sometimes the problems of life seem overwhelming and we feel we have no-one to turn to. Nevertheless when we close our eyes and say, "Please, will someone help me?", I can assure you that there is Someone listening. In the Bible, when Jesus says: *"Come to me all you who are weary and heavy laden and I will give you rest"* ¹ He is inviting you to get to know Him so, when we pray to God, He is always ready to listen. He loves you so much that He wants to help you and relieve you of your heavy burdens so that you can have peace in your heart.

Our biggest problem is that we have turned our backs on God.

We live in a world full of problems caused over many centuries by people's selfishness, hurtful attitudes and rebellion against all that is good. Each of us adds to the world's problems and our own by doing things we know to be wrong. That rejection of God makes us feel He is a million miles away, even though *'He is actually not far from each one of us.'* ²

God cannot ignore our sins and justice must be done - His judgement has to be carried out. Thankfully however, where we see only the problem, God has the solution: *"For God so loved the world that He gave His one and only Son, that whoever believes on Him shall not perish but have eternal life."* ³ "Whoever" of course includes you, so if you believe this good news, thanking God for sending His Son to die to deal with your sins, you will be saved! What a wonderful gift!

Once the main problem of your sin is dealt with, the air will be clear between you and God.

You will know He is listening to your prayers and He will give you strength for the difficult times as well as the good ones. I can tell you this from experience.
