Some people think ...

"It'll be enough just to try and live a good life."

Maybe you think the same, but are you *sure*?

Lots of people reckon ...

"There's no life after death, so it's not worth thinking about."

That may be your view too, but are you *sure*?

Some even feel that ...

"It doesn't really matter what you believe, so long as you are sincere."

And you may believe that very sincerely, but are you *sure*?

Other people have the feeling that ...

"It's obvious! Going to church and being religious is the answer."

You certainly won't be alone if that's what you feel, but are you *sure*?

"There are many different religions but ..."

plenty of people are hoping ... *"they'll all lead to the same place."*

This may be what you are hoping too, but are you *sure*?

It is often said that ...

"A God of love won't punish people in hell."

You may agree, but are you *sure*?

Philosophers have said ...

"There is no God." And you may think they know best, but are you *sure*?

Where can we get answers that we can be sure of?

Consider these words from the Bible. This is where you can find the truth that everyone can rely on:

"I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life." ¹

"Now this is eternal life: that they may know you, the only true God, and Jesus Christ, whom you have sent." ²

"Whoever believes in the Son has eternal life, but whoever rejects the Son will not see life, for God's wrath remains on him." ³

"If you confess with your mouth, 'Jesus is Lord,' and believe in your heart that God raised him from the dead, you will be saved." ⁴
